IAU Colloquium 180

Towards Models and Constants for Sub-Microarcsecond Astrometry

March 2000

Scientific Organizing Committee

Kenneth J. Johnston *(chair)*
Victor Brumberg
Nicole Capitaine
Veronique Dehant
Toshio Fukushima
Wenjing Jin
Jean Kovalevsky
Dennis D. McCarthy
Francois Mignard
Gerard Petit
P. Kenneth Seidelmann
Michael Soffel
E. Myles Standish
Jan Vondrak

Local Organizing Committee

George H. Kaplan *(chair)*
F. Stephen Gauss
William E. Howard III
Brian J. Luzum
Chopo Ma
Nancy Oliversen
Jane Russell
Lynn Treadway
Sean Urban

Proceedings Editors

Kenneth J. Johnston
Dennis D. McCarthy
Brian J. Luzum
George H. Kaplan
